

Our corporate strategy 2024-27

Our hope for the future	Children, and people with disability, are safe					
Our purpose	We work with others to keep children, and people with disability, safe in NSW					
Our role	We regulate and oversee child-related organisations and employers of children to keep children safe	We administer worker screening checks to identify those who should be prevented from working with children and people with disability	We ensure out-of-home care agencies meet essential standards in relation to the care they provide	We have the responsibility to be a leading authority on child safety, shaping NSW and Australian policy and practice		
Our expectations	We continue to mobilise key stakeholders to maximise our impact			We may need to evolve our ways of working to deliver on changing stakeholder expectations		
Our values	 Accountability	 Service	 Trust	 Integrity	 Empathy	 Respect
Priority areas	A) Supporting our people Ensure the OCG is a great place to work, a magnet for talent, and a supportive place for all staff	B) Enhancing collaboration Continue to improve collaboration, knowledge sharing, streamlining and integration of systems, and work processes	C) Improving First Nations outcomes Listen to and co-design solutions with First Nations communities. Implement best practice approaches to enhance our cultural responsiveness and improve outcomes	D) Being a model administrator and oversight body Be effective and efficient in the delivery of our statutory functions	E) Increasing awareness and building capability Raise awareness and deliver effective capability building for child-related organisations developing and implementing child safe practice, guided by the Child Safe Standards	F) Shaping policy and practice Be a visible leader in shaping and improving NSW and Australian child safe policy and practice
